We hope everyone had bright and cheery holidays. We are anxious to get going with our workshops again. Here is our schedule for March & April 2020. As usual, you must **pre-register** and **pre-pay** for all workshops and special events, in person or over the phone with a credit card. We do not accept personal checks. We have a minimum requirement of 4 for a workshop. If the minimum is not met, or in the case of inclement weather, we may cancel the workshop, and you will be refunded. Otherwise, all workshop and special event fees are **NON-refundable**. **No substitutions, credits or refunds can be made.**

We have social knitting groups that meet every Tuesday from 3:00p - 5:00p and Thursday from 6:00p - 8:00p. We offer coffee & tea, and sometimes someone brings a goodie to pass - each session is \$5. We request you purchase our yarn to use while knitting with the group. However, if you have something started, please feel free to bring it so it's not forever a UFO 😊 and, you can purchase FTA yarn for your future projects with the group. Crocheters are always welcome to the group as well! **Please note:** while minimal help is available during the group, these are **not** learn to knit/crochet sessions.

Join us for a fun night of Wood & Wine. We provide a great project on wood & you bring the wine! It's the perfect date!

Please do NOT bring children or any guests with you to the workshops. The fee you pay is for 1 seat and 1 project. Workshops are geared for adults 18 and over. No one under 21 allowed to drink. Currently, we do not offer any children's workshops.
